Heaven to Earth

2025

A Letter from Drew

At Lakeview, our vision is to help everyone know Jesus, live free, discover their purpose, so that together we can make an impact in the lives of others. Courtney and I are passionate about bringing this vision to life through Heaven to Earth.

An old African proverb says, "If you want to go fast, go alone. If you want to go far, go together." Heaven to Earth partners together with the most outstanding missionaries and ministries so that we can take the love of Jesus far. We believe through your sacrificial giving, communities all over the world are going to look more like heaven for generations to come.

We are thrilled for those who feel led to give in 2025, whether it's your first time giving above the tithe or you're committing to a new level of generosity. We all have a role to play through our giving, serving, and prayer. Together, we bring heaven to earth!

Pastors Drew + Courtney

What is Heaven to Earth?

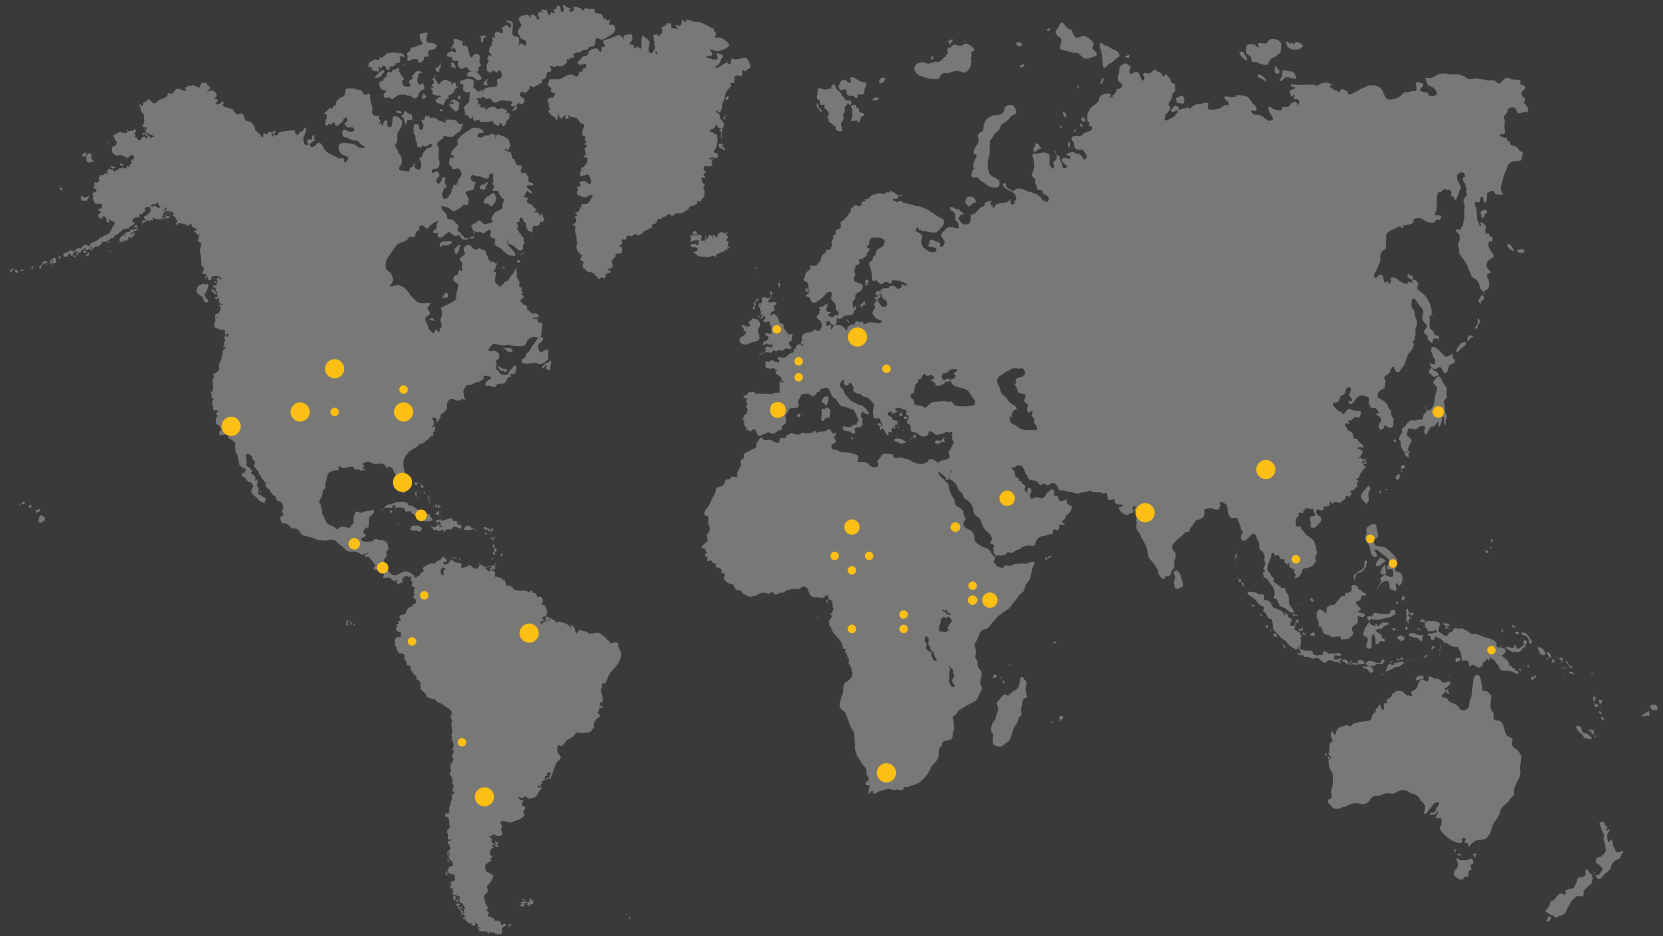

Heaven to Earth giving is above the tithe giving. Our goal is to invest in missionaries, ministries, and organizations around the world and in our city that are doing strategic work with those who need it the most.

Through your generous support, these ministries are reaching the lost, serving the vulnerable, and impacting the world.

Heaven to Earth champions three areas: **Global, Local, and Future**. Our focus is on Global projects + missionary partnerships, Local outreach, and Future Christian leader initiatives.

Through the tithe, we invest in the mission and vision of Lakeview Church. The tithe fuels the ministry and operations of Lakeview, making it possible to create spaces for people to know Jesus, live free, discover their purpose, and make an impact in the lives of others.
