**YOUR KINGDOM COME
YOUR WILL BE DONE
ON EARTH AS IT IS IN
HEAVEN.**

Matthew 6:10

FROM US

At Lakeview, our mission is to help everyone know Jesus, live free, discover their purpose, and make an impact. We are passionate about seeing this vision come to life through Heaven to Earth. Through prayer, trips, and financial generosity, we can all take the next step in living sacrificially with God so everyone can experience His love.

Heaven to Earth supports extraordinary missionary partners and life-giving ministries, both locally and globally. We are inspired by the impact God is making through their faithfulness and are honored to partner alongside of them.

Inside this booklet, you'll not only see projects but stories of the difference your generosity makes. Behind each project is a real person with a real story of life change, because someone chose to give.

As our Lakeview family continues to grow, we remain committed to living beyond ourselves and bringing the kingdom of heaven to earth. We are excited for everyone who is stepping into generosity—whether it's your first step or a deeper commitment, and we are really excited to see the story God unfolds in us and through us. Thank you for your prayers, your giving, and your willingness to go.

about

Through Heaven to Earth, we invest in missionaries, ministries, and organizations around the world and in our city that are doing strategic work with those who need it the most. Giving toward Heaven to Earth is over and above the tithe.

Through your generous support, these ministries are reaching the lost, serving the vulnerable, and impacting the world.

Heaven to Earth champions three areas: Global, Local, and Future. Our focus is on Global Projects + Missionary Partnerships, Local Outreach, and Future Christian Leaders initiatives.

“We met a young teenager named Christine, who lived under a violent demonic presence. Her oppression was so severe that she would react with physical terror and violence at even a simple drop of water.

As our team gathered in prayer, a spiritual battle raged until the name of Jesus broke the darkness. In an instant, the torment was replaced by the miraculous stillness and peace of Christ. To test her deliverance, water was poured over her once again, but this time she did not flinch. Christine was finally free, a living testimony that the Light of the World has come to save.”
